

Assembly Directions for Octagon Picnic Table

Model #POPT-5184

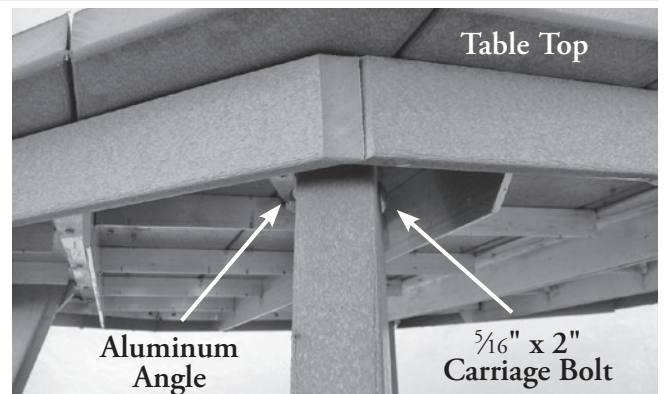

Step 1 Place the four (4) seat/leg sections in a square as shown.

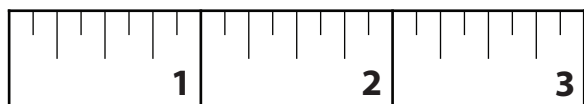

Step 2 Locate the stainless steel plate in your hardware package, align ends of opposite seat/leg sections with plate (as shown), and fasten plate using 1" screws. This will tie all four sections together.

Step 3 Place the table top on the seat/leg sections. Then fasten top using one (1) 5/16" x 2" carriage bolt per leg (upright).

Step 4 Enjoy your completed picnic table!

Use to measure bolts
