

Assembly Instructions

For SeaAira Side Table

Tools Needed: #2 square bit screw driver or power driver, No drilling is required. All the necessary holes are predrilled.

Parts

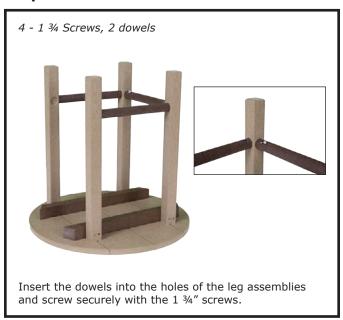

Step 1 — Attach the leg assemblies

Place the top assembly upside down on a clean, flat work surface. Center the leg assembly on the top assembly (1 $\frac{1}{2}$ " in from either edge of the bottom rail). Using the pilot holes in the legs, fasten the legs to the bottom rails of the top assembly using the 2 $\frac{1}{2}$ " screws.

Repeat the step above with the second leg assembly.

Step 2 — Attach the Dowels

Congratulations! Your SeaAira Side Table is ready to enjoy!
